The cremation, processing and disposition of the remains of the Deceased authorized herein shall be performed in accordance with all governing laws, the rules, regulations and policies of the Crematory and Funeral Home, and the following terms and conditions:

1. The remains of the Deceased will not be accepted for cremation unless received by the Crematory in a combustible, leak resistant, rigid cremation container. The Crematory is authorized to remove and dispose of handles, ornaments and any other noncombustible items attached to the cremation container prior to cremation. In the event the remains of the Deceased are received by the Crematory in a casket or other container constructed of metal, fiberglass, or other noncombustible materials, I/we authorize the remains of the Deceased to be removed prior to cremation and placed in a combustible cremation container. I/We further authorize the Funeral Home or Crematory to make disposition of any such noncombustible casket in any lawful manner it deems appropriate.
2. Mechanical or radioactive devices implanted in the remains of the Deceased (such as pacemakers, etc.) may create a hazard when placed in the cremation chamber. The Crematory will not cremate any human remains which contain any type of implanted mechanical or radioactive device. In the event the remains of the Deceased contain such a device, I/we hereby authorize the Funeral Home, its agents and employees, to remove any such mechanical devices from the remains of the Deceased prior to cremation, and dispose of such items at its discretion

I/WE HEREBY CERTIFY THAT THE; REMAINS OF THE DECEASED DOES DOES NOT CONTAIN ANY TYPE OF IMPLANTED MECHANICAL OR RADIOACTIVE DEVICE. Please initial one.

Listed below are all implanted mechanical and radioactive devices which the Funeral Home is authorized to remove from the remains of the Deceased prior to cremation, and dispose of as indicated:

Description of Implanted Device Disposition

If no instruction for disposition is given, such items may be disposed of at the discretion of the Funeral Home.

3. The cremation container containing the remains of the Deceased will be placed in the cremation chamber and will be totally and irreversibly destroyed by prolonged exposure to intense heat and direct flame. It is understood that the human body burns with the casket, container, or other material placed in the cremation chamber. Some bone fragments are not combustible at the incineration temperature, and as a result, remain in the cremation chamber.

4. During the cremation, the contents of the chamber may be moved to facilitate incineration. I/We authorize the Crematory to open the cremation chamber during the cremation process and reposition the remains of the Deceased in order to facilitate a complete and thorough cremation.
5. The cremation chamber is composed of ceramic or other material which disintegrates slightly during each cremation and the product of that disintegration is commingled with the cremated remains of the Deceased. Nearly all of the contents of the cremation chamber, consisting of the cremated remains of the Deceased, disintegrated cremation chamber material, and small amounts of residue from previous cremations, are removed together and crushed, pulverized, or ground to facilitate inurnment or scattering. I/We understand and acknowledge, that even with the exercise of reasonable care and the use of the Crematory's best efforts, it is not possible to recover all particles of the cremated remains of the Deceased, and some residue remains in the cracks and uneven places of the cremations chamber. Periodically, the accumulation of this residue is removed and interred in a dedicated cemetery property or scattered at sea.
6. Certain items, including, but not limited to, body prostheses, dentures, dental bridgework, dental fillings, jewelry, and other personal articles accompanying the remains of the Deceased, may be destroyed during the cremation process. I/We further authorize that if any items, other than the cremated remains of the Deceased, are recovered from the cremation chamber: they shall be separated from the cremated remains of the Deceased and disposed of by the Crematory: or they shall be returned and placed in the urn or container holding the cremated remains.
7. I/We hereby authorize the Crematory to separate and remove from the cremation chamber all noncombustible materials, including, but not limited to, hinges, latches, nails, and to dispose of such materials.
8. Unless an urn or container suitable for shipment is purchased, the Crematory will place the cremated remains of the Deceased in a container which is not designated for any type of shipment.
9. In the event the urn or container is insufficient to accommodate all of the cremated remains of the Deceased, any excess cremated remains will be placed in a secondary container and returned to the Funeral Home, together with the primary urn or container.
10. Unless I/We give specific written instructions in this Authorization, the cremation, processing and disposition of the remains of the Deceased will not be performed in accordance with any particular religious or ethnic customs.
11. In the event the cremated remains of the Deceased remain unclaimed for a period of 30 days, the Funeral Home shall give written notice to me/us by certified mail at the address(es) indicated below. I/We agree that in the event the cremated remains of the Deceased remain unclaimed, for a period of 120 days after the date such written notification is mailed, the Funeral Home is authorized and directed to dispose of the unclaimed cremated remains of the Deceased in any lawful manner it may deem appropriate.
12. I/We agree to indemnify, release and hold the Crematory, Funeral Home, their affiliates, agents, employees and assigns, harmless from any and all loss, damages, liability or causes of action (including attorneys' fees and expenses of litigation) in connection with the cremation and disposition of the cremated remains of the Deceased, as authorized herein, or my/our failure to correctly identify the remains of the Deceased, disclose the presence of any implanted mechanical or radioactive devices, or take possession of, or make permanent arrangements for, the disposition of such remains.
13. Except as set forth in this Authorization, no warranties, expressed or implied, are made by the Funeral Home, Crematory, or any of their respective affiliates, agents, or employees.
14. I/We understand that this document does not contain a complete and detailed description of every aspect of the cremation process. I/We acknowledge receiving, from the Funeral Home, a copy of the booklet entitled "Cremation Facts" containing additional explanatory information about the cremation process.
